PIZZA SAUCES

Classic Italian:

A silky smooth version of our founder Cristoforo Colombo's favorite recipe. Rich, extra-heavy tomato puree, extra virgin olive oil, and a dash of garlic create a classic pizza sauce your patrons will enjoy with any topping.

Chunky Sicilian Blend:

A ready-to-use version of the new tradition in pizza sauces. A chunky-style, robustly flavored sauce that will provide the perfect foundation for a truly great pizza.

PASTA SAUCES

Spicy Pepper with Onion:

The zesty flavor of this sauce pays tribute to the passion Italians have always had for cooking. The exquisite combination of sweet vine-ripened tomatoes, bell peppers, a splash of wine, sauteed onions and crushed garlic is sure to excite your customers' tastebuds.

Tomato Basil & Garlic:

Now, your patrons can enjoy a convenient ready-to-use version of an Italian classic with *Allegro* Tomato Basil and Garlic Pasta Sauce. A delicious blend of vine-ripened fresh tomatoes, sauteed onions, crushed garlic and fresh basil for true homestyle Italian flavor.

Tuscan Tomato & Herb:

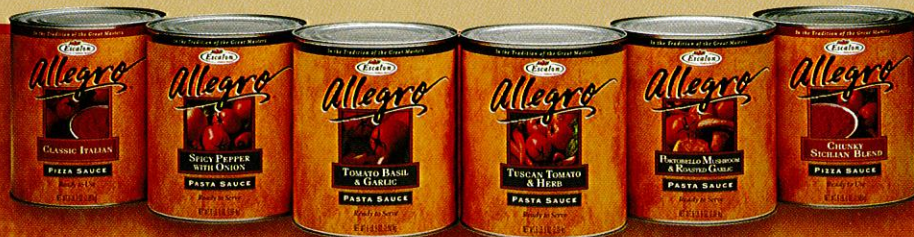

An original Tuscan style recipe from Mr. Colombo's homeland, this sumptuous sauce is made with extra virgin olive oil, peeled ripe red tomatoes, fresh herbs, vegetables and traditional spices. The result is a naturally sweet and savory Italian flavor that's ideal for any style pasta from angel hair to lasagna.

Portobello Mushroom & Roasted Garlic:

The world's most flavorful mushrooms, sliced and combined with onions and roasted garlic, then simmered in a base of fresh, vine-ripened tomatoes. This wonderfully light and slightly sweet sauce will enhance any dish.
