

# Black Bean Soup

## Black Bean Soup

This soup is a hearty blend of black beans and seasonings reminiscent of the Caribbean. A dark, medium-bodied broth is rich with black beans and accented with garlic, Cilantro and an authentic spice blend. (CODE# 166050)

Consider serving your soups in interesting or unexpected containers like bread bowls, ramekins, odd-shaped bowls, or wine and martini glasses. And don't forget to combo soups with your favorite menu items. Soup, when paired with another food, makes up 85.6% of all soup orders.

### Garnish Ideas

1. Shredded Jack Cheese and Chopped Avocado
2. Snipped Chives
3. Cilantro Sour Cream Drizzle
4. Chopped Applewood Smoked Bacon and Cheddar Cheese
5. Crispy Onion Straws and Chopped Cilantro
