

# Butter Flavored Oil

**BUTTER TASTE...  
BETTER PERFORMANCE  
HALF THE COST OF BUTTER**

Whirl® butter flavored oil adds delicious butter flavor to everything you make, without the hassles of butter. Whirl doesn't require melting or clarifying, and it doesn't need to be refrigerated. Its proven high-heat performance is perfect for grilling and sautéing applications, while its authentic butter flavor makes it a versatile flavor enhancer for vegetables, pasta, pizza crusts and more. With butter taste, better performance, and half the cost of butter, Whirl is the perfect addition to any kitchen.
